## Elm School

December 8, 2009

### **Login to MRC iTunes computer:**

Username: mrc

Password: mrc

### **Elm iTunes Account:**

Username: [elmitunes@d181.org](mailto:elmitunes@d181.org)

Password: elmitunes1380

### **To purchase an app from your iTouch:**

1. Open Apple Store app on iTouch.
2. Search for your new app.
3. Select the App you want to install.
4. If the application is FREE:
  - a. Select the 'Free' icon.
  - b. Select the 'Install' icon.
  - c. Enter the Elm iTunes account password listed above.
  - d. Click the 'OK'.
  - e. You should see the new app loading on the screen.
  - f. It will say the 'applications name' once it is complete.
5. If the application is NOT free:
  - a. CREATE A HELP DESK REQUEST FOR ALL PURCHASED APPS.
  - b. Select the '\$n.nn' icon.
  - c. Select the 'Buy Now' icon.
  - d. Enter the Elm iTunes account password listed above.
  - e. Click the 'OK' button.
  - f. You should see the new app loading on the screen.
  - g. It will say the 'application name' once it is complete.

6. Login to MRC Computer.
7. Open iTunes.
8. Attach the iTouch to the USB port in the back of the computer.
9. Right Click on the Elm School's iTouch device.
10. Select 'Transfer Purchases'.
11. If you have music, movies, TV shows, or Podcasts purchased from other sources, these will not be sync'd. It will give you a message 'This purchased item, etc.'. Click the 'OK' button.
12. Right Click the Elm School's iTouch device.
13. Select Backup to backup your device onto the MRC Computer.

**To sync your iTouch Applications:**

1. Click on the Elm School's iTouch device.
2. Select the Application Tab.
3. Check the box 'Sync Applications'.
4. Check the box next to each application that you want on your iTouch. Already loaded applications will automatically be checked.
5. On the right side of the iTunes Application screen, drag the applications to rearrange application icons or home screens.
6. Click on the 'Apply' button in the lower right hand corner of the screen.
7. If you have photos loaded on to the iTouch, you will get the message 'The iPod 'Elm School's iTouch Tnnnnn' is sync'd with another photo library or folder. Do you want to sync with your photo library and replace all existing photos and albums on this iPod with those from your photo library?'. Click the 'Yes' button if you want to erase all the photos. Click the 'No' button if you want to leave the photos on the iTouch.
8. To see the progress, watch the top center part of the iTunes screen. It displays each application that is updated onto the iTouch. The iTouch will say 'Sync in Progress'. Do not remove the UBS port or iTouch until the Sync process is complete.
9. ITunes will display the message 'iPod sync is complete. OK to disconnect'.

10. Unplug the iTouch from the USB cord. If you are using your USB cord, unplug it from the USB port on the back of the computer.

### **Charging your iTouch:**

1. First time only
  - a. Go to iTunes System Preferences on your computer.
  - b. Click on Devices.
  - c. Click on the box 'Prevent iPods and iPhones from syncing automatically'.
2. Plug the iTouch into the USB cord, and plug the USB cord into the USB port on your computer. Keep it plugged in until the battery is fully charged. When it is plugged in, a screen is displayed with a battery. When the battery is 100% green, it is fully charged.

### **Adding Photos to your iTouch from your computer:**

1. Click on the Elm School's iTouch device.
2. Select the Photos Tab.
3. Check the box 'Sync Photos from'.
4. Select sync photos from 'iPhoto' or 'picture folder'.
5. Select 'Selected albums, events, and faces'
6. Indicate what events should automatically be sync'd.
7. Select the Album(s) to be added to your iTouch.
8. Select the Event(s) to be added to your iTouch.
9. Select the Face(s) to be added to your iTouch.
10. Click 'apply' to sync your photos.
11. To see the progress, watch the top center part of the iTunes screen. It displays each application that is updated onto the iTouch. The iTouch will say 'Sync in Progress'. Do not remove the UBS port or iTouch until the Sync process is complete.
12. ITunes will display the message 'iPod sync is complete. OK to disconnect.
13. Unplug the iTouch from the USB cord from your computer when you are done.

### **Adding Music, Movies or TV Shows to your iTouch from your computer:**

1. Drag & Drop the movie, song or TV show from your iTunes computer library to the corresponding library located under your iPod Touch Device.
2. To see the progress, watch the center part of the iTunes screen. It displays each movie, song or TV Show that is updated onto the iPod Touch. The iPod Touch will say 'Sync in Progress'. Do not remove the USB port or iPod Touch until the Sync process is complete.
3. When the Apple is redisplayed in the center of the screen, it is OK to disconnect.
4. Unplug the iPod Touch and USB cord from your computer when you are done.

#### **First time setup of an Elm School iPod Touch:**

1. MRC Director needs to inventory the iPod Touch in Alexandria.
2. TA needs to register the iPod Touch on the MRC iTunes Computer.
3. TA needs to sync all applications or a requested list of applications.
4. MRC Director needs to check out the iPod Touch in Alexandria. Any student iPod Touch must be checked out before going home.
